QD

---

*At Arros QD, our drinks are an extension of our culinary identity: a celebration of Valencia, its heritage, and the elemental craft of cooking over open wood fire.*

*We draw inspiration from the landscapes of Valencia: citrus groves, aromatic herbs, coastal freshness and the warmth of fire. Each serve is thoughtfully crafted to complement the depth and smokiness of our cuisine, creating a harmony between glass and plate.*

*A central pillar of our philosophy is the gin and tonic, a drink deeply connected to the culture of enjoying paella - refreshing, aromatic and perfectly suited to the brightness and intensity of our dishes.*

*Our selection pays tribute to this tradition while introducing innovative botanical pairings and refined presentations.*

Please inform a member of staff of any allergies and/or intolerances before placing your order. Not all ingredients are listed on the menu, and we cannot guarantee the total absence of allergens or cross-contamination. Consuming raw seafood and shellfish may increase your risk of foodborne illness
